## Kevin Wallace, MD

*Internal Medicine*

Dr. Wallace graduated from the Edinburgh Medical School in Scotland and completed his residency at St. Vincent's Medical Center in Connecticut where he was also the Chief Resident. For the next ten years he was in Delaware where he headed a large, well regarded practice, specializing in all aspects of Internal Medicine, including a busy in-patient service. For the last decade he was at Murray Hill Medical Group and NYU Langone as an Attending and Clinical Instructor, again practicing in-patient and out-patient medicine. Dr. Wallace's strong interests remain in Preventative Medicine, hypercholesterolemia, atherosclerotic disease, smoking cessation, weight management and travel medicine. Throughout his career he has remained board certified.

Outside of work he enjoys film, swimming and table tennis.

### **EDUCATION & TRAINING**

- Edinburgh Medical School, Scotland, Medical Degree
- St. Vincent's Hospital, Connecticut, Residency

## About Menlo Medical Clinic

We are Menlo Park's neighborhood clinic offering exceptional service. We've grown with the city, expanding over the years to over 50 physicians covering 20 disciplines in two locations.

Menlo Medical Clinic partners with Stanford Health Care to give you the best health care possible: individualized and convenient with access to Stanford specialists and technology. At Stanford Health Care your health needs will be coordinated through MyHealth, our easy to use online tool. MyHealth will help you to manage your health care appointments, access your confidential medical records, and more. Together, we are providing a higher level of health care.
