Priya Rajendran, MD

Dermatology

Dr. Rajendran is passionate about partnering with her patients to provide the highest quality of individualized dermatologic care. She is a board-certified dermatologist and a fellow of the American Academy of Dermatology. She completed her undergraduate education at the Massachusetts Institute of Technology. She earned her medical degree and completed her residency at the University of California, San Francisco. She enjoys providing dermatologic care to the entire family.

Dr. Rajendran is a bay-area native, and has been practicing in the area since 2010. Outside of work, she enjoys spending time with her husband, son, and daughter.

EDUCATION & TRAINING

- University of California San Francisco, School of Medicine, CA, Medical Degree
- University of California San Francisco, School of Medicine, CA, Residency

About Menlo Medical Clinic

We are Menlo Park's neighborhood clinic offering exceptional service. We've grown with the city, expanding over the years to over 50 physicians covering 20 disciplines in two locations.

Menlo Medical Clinic partners with Stanford Health Care to give you the best health care possible: individualized and convenient with access to Stanford specialists and technology. At Stanford Health Care your health needs will be coordinated through MyHealth, our easy to use online tool. MyHealth will help you to manage your health care appointments, access your confidential medical records, and more. Together, we are providing a higher level of health care.
